

Ladies Afternoon League August 9, 2011 Event

Hey, Mulligan Man, It's a Gimmee!

Handicap Required

Each Player has TWO chances for extra help

Chits will be awarded for low net "with help"

Every League player prior to tee off receives one string based on their handicap:

Once during the round, each player may use their string to "sink" a putt without adding a stroke to that hole. The ball must be ON the green and within the radius of their length of string from the hole.

ALSO, each player has an option to "Re-Drive" from the tee box without a penalty stroke added to their score. This mulligan may be used only once during the round.

Markers are found on #'s 6 and 16 Closest to the Hole
And #'s 4 and 12 Longest Drive

Reminder: Today's scores should not be entered into the computer because of the changes to your actual score. Have Fun!
