"Duffers"

Stay Clear of Five Penalties

Each time you hit a "penalty shot" give yourself a tally point for that hole.

- Hit a Tree
- Hit into a Sand Trap
- Hit your ball Out of Bounds
- Hit into the Water
- Three Putt

If two or more "penalties" happen on one hole you must tally each shot. For example, if your ball hits a tree and lands in the water it is **TWO** points. If you then Three Putt on the green you will have **THREE** points for that hole.

Keep track of the duffer shots for the round. The person with the fewest points at the end is the winner. Please remember to enter your actual score into the computer.

Watch for the Markers today:

Hole # 6 Closest to the Pin
Hole # 9 Longest Putt

Hole # 16 Closest to the Pin
Hole # 18 Longest Putt

If your ball meets the requirements, write your name on the marker and place the marker in the spot from where your ball landed, closest to the pin or from the longest putt.
