

Welcome to the 2012 Deer Run 18-Hole Ladies Golf League!

On behalf of the Board, we welcome you to the 2012 golf season and to another great year of Tuesday fun and friendship with our League. We have a wonderful membership, a great group of volunteers and a beautiful course!

If you are joining our League for the first time, the General Information that follows this note will give you an overview of our League. If you have questions, contact any Board Member or Membership Chairperson, Vicki McDermott. Vicki can be reached at vam@chaska.net or at 952-443-2590. We welcome new members and hope that you decide to be a part of our League.

To all our returning members, we hope you had a wonderful winter and are looking forward to spring. We're looking forward to catching up with you on April 24 at our Spring Luncheon. The board has listened to your suggestions regarding weekly events and scoring. We have made some changes in these areas and we are excited to share them with you. The Events, Tournaments, and Guest Day Committees have been busy, so when the snow melts...we will be ready to go!

Please print your Membership Application and mail it with your dues to Debi Teall, our Treasurer. We will continue to use email as our primary means of communication. Members will once again receive a Membership Handbook, which will include all pertinent league information and members' names and contact information. We would like to have this ready the first part of the 2012 season, so **please return your application by April 2nd.**

We are looking forward to great golf, fun friendships, and sunny Tuesdays. Think Spring!

Sue Bill
League President
